In Celebration of **NATIONAL WOMEN'S HISTORY MONTH**

History from the Women’s History Project.... “As recently as the 1970s, women’s history was virtually an unknown topic in the Kindergarten through Twelfth Grade curriculum or in the general public consciousness. To address this situation, the Educational Task Force of the Sonoma (CA) County Commission on the Status of Women initiated a “Women’s History Week” celebration for 1978....More recently, the National Women’s History Month Resolution has been approved with bipartisan support in both the House and Senate and is celebrated in March of each year.
