CSI fans rejoice!!

If you just can't get enough of all that crime science, our mystery shelves can help whet your appetite. WARNING! These mysteries are not for the faint of heart! These sleuths immerse themselves in the often graphic details of the crime to reach a solution. Each entry features the title, author, shelf location and type of forensic sleuth. Many are the first in a series so you will be able to return again and again for more crime-solving with your new favorite CSI.
